Prior Conflicts

Please list conflicts with any dates listed above for your student’s desired program: *(Use back as needed)*

Note that conflicts will continue to be accepted (within reason in terms of dates and amount – no conflicts with tech/shows) as Excused until Monday, August 26 to allow for school events to be scheduled. All conflicts after that time will be unexcused and may result in reassignment or reduction of a cast member’s lines and/or role, or prohibit a student from participating as a cast member.

Policies and Procedures

Unexcused lateness and absence is unacceptable, and repeated offenses may result in reassignment or reduction of a cast member’s lines and/or role. Please note that conflicts with a dress rehearsal or production date/time may also result in reassignment or reduction of a cast member’s lines and/or role, or prohibit a student from being able to participate as a cast member. Prior conflicts are not accepted as excused conflicts after auditions, with the exception of accepted emergency conflicts.

Consequences for unexcused absences are as follows, and will be documented:

- First violation: The participant will receive a private verbal warning.
- Second violation: A parent/guardian of the participant will be notified.
- Third violation: CFCArts will contact a parent/guardian to set up a meeting between CFCArts staff, the participant, and a parent/guardian to discuss further steps.

Signatures and Affirmation

We the undersigned (Legal parent/guardian of participant and participant named) state that the conflicts listed on this sheet are the only excused conflicts that the participant will be allowed for this program, with the exception of accepted emergency conflicts. Signing signifies that the legal parent/guardian and participant understand the potential consequences of unexcused absences as a violation of a standard of behavior and responsibility, as well as what constitutes an emergency conflict, as outlined in the Participant Packet and Children and Youth Arts procedures, and as summarized above.
