**Policies and Procedures**

Unexcused lateness and absence is unacceptable, and repeated offenses may result in part reassignment or reduction of participation in the performance. Please note that conflicts with a dress rehearsal or performance date/time may also result in part reassignment or reduction of participation in the performance. Prior conflicts are not accepted as excused conflicts after the beginning of the season, with the exception of accepted emergency conflicts.

Consequences for unexcused absences are as follows, and will be documented:

- First violation: The participant will receive a private verbal warning.
- Second violation: A parent/guardian of the participant will be notified.
- Third violation: CFCArts will contact a parent/guardian to set up a meeting between CFCArts staff, the participant, and a parent/guardian to discuss further steps.

**Signatures and Affirmation**

We the undersigned (Legal parent/guardian of participant and participant named) state that the conflicts listed on this sheet are the only excused conflicts that the participant will be allowed for this program, with the exception of accepted emergency conflicts. Signing signifies that the legal parent/guardian and participant understand the potential consequences of unexcused absences as a violation of a standard of behavior and responsibility, as well as what constitutes an emergency conflict, as outlined in the Participant Packet and Children and Youth Arts procedures, and as summarized above.
