Hello and welcome!

Good evening and welcome to *Once Upon a Dream*! I am beyond excited and extremely honored you have chosen to spend some time with us celebrating some of the most magical music from the last 100 years. Having worked for the Walt Disney Company for over 15 years but also being a native Floridian, Disney is dear and close to my heart, and being able to conduct these amazing musicians is a full-circle moment for me as well as a dream come true!

I have such wonderful memories of growing up and going to the movie theater and seeing my favorite hero or princess in action on the big screen. Having the ability to experience those movies come to life in my backyard at the Disney Parks was life changing and set a trajectory for my career to come. As a kid, I would lock myself away for hours, putting on cassette tapes and putting on shows for myself in my bedroom. Thirty years later, I'm still putting on shows, but the experience looks a bit different.

I would like to take a moment and give thanks to all the cast members, production and creative staff, executive leadership, and my peers at Disney Parks live entertainment for the many years of support, mentorship and opportunity in being able to live out my childhood dreams and give back to a new generation of dreamers.

Whether you are five years old or 75 years old, at some point the magic of Disney storytelling has touched you in some shape or form. The lessons learned through the music and magic of our favorite characters have given us the power to reach out and follow our dreams. It is my sincere wish that you leave here tonight having remembered the magic and feel a new drive and hope to pursue your dreams in a brand new way!

EMPOWERING OUR COMMUNITY

At OUC, we believe in the power of giving back and supporting community partners like the Central Florida Community Arts.

We're committed not only to providing reliable electricity and water to our customers, but also to ensuring Central Florida's prosperity. Each year, OUC employees donate more than 10,000 hours to community and non-profit organizations and help raise thousands of dollars for worthy causes. *Through contribution, service and care, we have the power to make a difference.*
